

Studio

Digital Designer

Are you a talented and creative individual with a strong passion for digital design, eager to learn and improve the existing set of skills and looking to progress your career in the digital arena? This is a great opportunity to further your career in a forward-thinking fast-growing agency.

Tomorrow is an award-winning full-service marketing agency whose services include programmatic media, brand partnerships and creative. We are looking for an enthusiastic digital designer with 1-2 years industry experience to join our studio.

Responsibilities

Work with stakeholders, developers and designers on different projects. Deliver top class interactive/engaging designs from initial concept through to launch, including:

- HTML5 /Rich Media advertising
- Social media campaigns
- Engaging, motion-lead videos
- OOH / Print
- Branded content

Skills required

- BA Hons degree in a design-related degree
- 1-2 year's experience in a similar role or agency
- Ability to identify current design trends
- Excellent proven working knowledge of Adobe creative suite
- Excellent communication skills
- A keen eye for detail
- Highly organised and a motivated self-starter
- Able to work collaboratively and a good team player
- Confidence to work individually/remotely
- Producing work to a high standard and within a deadline

Nice to have

- Working knowledge of After Effects
- Basic Knowledge of HTML5 / CSS 3
- Working knowledge of GWD or other ad building platforms

We are looking for someone who can demonstrate a portfolio as part of their application.
