Junior Designer

Are you a talented and creative individual with a strong passion for digital design, eager to learn and improve the existing set of skills and looking to progress your career in the digital arena? This is a great opportunity to further your career in a forward-thinking fast-growing agency.

Tomorrow is an award-winning full-service marketing agency whose services include biddable media, traditional media, brand partnerships and creative. We are looking for someone with a BA Hons degree in a design-related field and/or with relevant work experience in a creative environment.

Responsibilities

Work with stakeholders, developers and designers on different projects. Deliver top class interactive/engaging designs from initial concept through to launch, including:

- Display banners
- Social media assets
- Landing pages
- Offline content (print)
- Take on special design tasks
- Use feedback from other designers to improve

Skills required

- Familiarity with design techniques and current trends
- Understanding of visual elements
- Excellent proven working knowledge of Adobe creative suite
- Excellent communication skills
- A keen eye for detail
- Highly organised and a motivated self-starter
- Able to work collaboratively and a good team player
- Confidence to work individually/remotely
- Producing work to a high standard and within a deadline
- BA Hons degree in a design-related degree and/or with relevant work experience

Nice to have

- Working knowledge of Bannerflow/After Effects/HTML5/CSS
- Basic Knowledge of CMS systems
- Video shooting and editing

We are looking for someone who can demonstrate a portfolio as part of their application.
